Good  
Morning  
everyone!  
Someone  
once said

that preachers are always preaching to folks who have just gone through a crisis or are going through a crisis or will be going through a crisis. Wherever you find yourself today, please know Jesus cares like no other. He is our "Balm in Gilead". It is my honor and joy to proclaim His mighty Hand of victory today!

If you are visiting with us today, you are our honored guest! Welcome! Sit back and relax. You are among friends. We are delighted to have you with us. If possible, I would love to connect with you before you leave today.

Love,

Pastor John & Debbie

*Your fellowship today is important to us. Please fill out the attendance pads at the end of each pew.*

### THE POWER THAT DEEPENS OUR LIVES

***"There is so little rest! There is such an unreasoning passion for activity! And so we skim the surface of all things."***

***"We know no more of the real depth of our own lives than a child who crosses a frozen lake and knows how deep the lake is. He does not even know that it has depth. But before our life can get depth into it, it must let God into it. God is the only power that deepens our lives."***

***"A life with no intention of God in it must be shallow. And there is no life so hard and crusted that God cannot enter into it, break its crust, and deepen it to untold richness."***
