Manna for Meditation

A SIGN OF THE TIMES

They lie on the table, side by side The Holy Bible and the TV Guide.

One is used daily to help folks decide. (Not the One is well worn, but cherished with pride (Not the Bible, but the TV Guide)

Bible: it's the TV Guide.)

As the pages are turned, what shall they see Oh, what does it matter?...turn on the TV.

Then confusion reigns, they can't all agree on what they shall watch on the old TV.

So they open the book in which they confide (No, not the Bible....it's the TV Guide.)

The Word of God is seldom read. Maybe a verse e'er they fall into bed.

Exhausted and sleepy and tired as can be... not from reading the Bible-from watching TV.

So then back to the table, side by side, lay the Holy Bible and the TV Guide.

No time for prayer....no time for the Word. The plan of salvation is seldom heard.

But forgiveness of sin so full and free is found in the Bible....NOT on TV!

Your fellowship today is important to us. Please fill out the attendance pads at the end of each pew.

TOUCH SOMEONE'S LIFE

You can touch someone's life,
Just by what you say or do,
It's nice to be able to do that,
And I'm going to do it too.

It might be by an act of kindness,
Or just by something we say,
It really doesn't matter what it is,
Because it will sure make their day.

So try to touch someone's life,
And show them your love,
Then you will be blessed in so many ways,
From our Lord and Savior above.

Time

Poet: Greta Zwaan, © 2001

Time is allotted to each one of us – no
one “unchanged;”
A child wants to rush into his youth, yet
time is not rearranged.
The youth can’t wait till he turns 21, he
thinks he can conquer the world,
It seems like forever, those teenage years,
nothing has rightly unfurled.

The adult complains, “I haven’t got time!
Everyone schedules my day.
There’s a thousand things I need to get
done, and so many stops on the way.”
The senior cries, “The days are so long,
my life is so useless and sad.
I wish I were young, back on the farm,
working with Joe and our lad.”

No one’s content, it’s a world of
complaints, from our birth till the day
that we die.
Isn’t it strange that we can’t stop a while,
to rejoice and not always ask, “Why?”
God has allotted to each man the same –
a day of 24 hours.

Some use it wisely, some waste their
time; the challenge is finding its power.

To God, a day is a thousand years, it
passes as quick as a wink,
He hears what we say, He knows what
we do, He constantly knows what we
think.

While man plots and plans to lengthen
his day, the purpose of time carries on.
Man cannot change what God has
decreed – the sun shall rise with the
dawn.

So, slow down a mite, smell the roses He
grows, remember that God’s in control,
Let time take its course, walk close with
your Lord, His love will nurture our soul.
