Connected in Ministry

The vision of the American Baptist Churches of Indiana and Kentucky is to help each other to be healthy, each Christian to be growing, and each person to be reached with the Gospel. This vision takes shape as local congregations connect with each other for mutual support, outreach and missions.

The ministries of the Region is possible when local congregations give financial support through United Mission, the America for Christ offering, the Region Mission Offering or designated giving to specific ABC-IN/KY ministries. Your prayers, participation and generosity are essential to the health of the Region. Thank you for all you do in the ministry of Jesus Christ.

When the youth went to Kentucky on their mission trip they saw many different things. One of the things was that there have been very few of the destroyed homes rebuilt at this time.

Talking to the people that live in that area and helping restore the community, we were told that as houses get rebuilt and people prepare to move back into their home there are some things they will be needing. One of those things will be furniture.

For the next three months, we are going to be asking people that might have gently used furniture that they might not have a need for any more, and are willing to donate it, to do just that. At the end of this time, we will rent a vehicle and take everything that is collected down to that area.

If you have any questions, please see Walt Morris or Ken McVey.

Thank you for your help.

We would like to thank everyone for their expressions of love and prayers during this difficult time with the loss of Ben.

We are grateful for all of the kind words, cards and comfort shown us during this time. We are truly blessed by our church family.

With Love,

Marla and Doris
