Good Morning everyone! When I was a teen, I was a part of

Christian teen choir which sang all across Indiana and beyond. One of the songs which has stayed with me all my life is , "Let's Just Praise the Lord!" I find myself waking up singing that song and carrying it with me my entire day. This is a great day for all of us join together in worship, so LET'S JUST PRAISE THE LORD!

If you are visiting with us today, you are our honored guest! Welcome! Sit back and relax. You are among friends. We are delighted to have you with us. If possible, I would love to connect with you before you leave today.

Love,

Pastor John & Debbie

***Your fellowship today is important to us. Please fill out the attendance pads at the end of each pew.***

### A GIFT

Open your hands and your heart to receive this day as a precious gift from Me. I begin each day with a sunrise, announcing My radiant Presence. By the time you rise from your bed, I have already prepared the way before you. I eagerly await your first conscious thought. I rejoice when you glance My way.

Bring Me the gift of thanksgiving, which opens your heart to rich communion with Me. Because I am God, from whom all blessings flow, thankfulness is the best way to draw near Me. Sing praise songs to me; tell of My wondrous works. Remember that *I take great delight in you; I rejoice over you with singing.*

When the youth went to Kentucky on their mission trip they saw many different things. One of the things was that there have been very few of the destroyed homes rebuilt at this time.

Talking to the people that live in that area and helping restore the community, we were told that as houses get rebuilt and people prepare to move back into their home there are some things they will be needing. One of those things will be furniture.

For the next three months, we are going to be asking people that might have gently used furniture that they might not have a need for any more, and are willing to donate it, to do just that. At the end of this time, we will rent a vehicle and take everything that is collected down to that area.

If you have any questions, please see Walt Morris or Ken McVey.

Thank you for your help.

*The School Supply Program is not just to help the youth with school supplies at the first of the year, but also to remember them during the school year. Let them know that you are thinking about them during the year. Remember them especially at their birthdays and other special days during the year. Also, be sure to*

*remember to be for them during their school year.*
