THE POWER THAT DEEPENS OUR LIVES

"There is so little rest! There is such an unreasoning passion for activity! And so we skim the surface of all things."

"We know no more of the real depth of our own lives than a child who crosses a frozen lake and does not know how deep the lake is. He does not even know that it has depth. But before our life can get depth into it, it must let God into it. God is the only power that deepens our lives."

"A life with no intention of God in it must be shallow. And there is no life so hard and crusted that God cannot enter into it, break its crust, and deepen it to untold richness."

Phillips Brooks

Your fellowship today is important to us. Please fill out the attendance pads at the end of each pew.

remember to for them during the school year.

LOOK TO THIS DAY

*Look to this day!
For it is life, the very life of life.
In its brief course
lie all the verities and realities
of your existence.*

*For yesterday
is already a dream
and tomorrow
is only a vision;
but today, well lived,
makes every yesterday
a dream of happiness,
and every tomorrow
a vision of hope.*
